YOURS TRULY YEARBOOK

Bring your editors and leaders, and get ready to be energized and inspired to plan your 2019 yearbook. We will show you new and fresh yearbook themes, coverage concepts, designs, and more.

Between sessions, you'll have an opportunity to work with your staffers, and start building your plans for next year's book.

Our guest speaker is Cindy Todd. After 25 years of advising yearbooks and teaching photojournalism in Texas at Westlake High School in Austin and Randall High School in Amarillo, Cindy "retired" from the classroom and now serves as the Texas Association of Journalism Educators executive director and teaches workshops around the country. Her students earned Pacemaker and Crown awards from NSPA and CSPA. The 2012 H.L. Hall National Yearbook Adviser of the Year, Todd was also named Max Haddick Texas Journalism Teacher of the Year and a TAJE Trailblazer and received CSPA Gold Key, NSPA Pioneer and JEA Medal of Merit awards.
