

RING SIZER GUIDE

1 For accuracy, please ensure that you print this PDF at 100%.

2 Decide which finger you'd like to wear your ring on.

3 Measure the desired finger at its widest point between the lines.

4  Double check to be sure the widest point of your finger is inside the lines.

PLEASE NOTE

- This printable Ring Sizer Guide serves as a reference guide to help you size your finger at home.
- If your finger falls between two sizes, order the larger size.
- Make sure that your hand is not swollen, sweaty, or cold during sizing as this will change your size. You want your hand to be dry and warm during the sizing process.
- The most accurate way to have your size taken is on a Jostens metal sizer via a Jostens sales professional.

All rings purchased on Jostens.com come with a Limited Lifetime warranty which includes free ring resizing.
