Jostens wants everyone to participate in the ring tradition, so they make it as easy as possible with various payment options. For example, you can buy now and pay over time with PayPal Credit. Pay Pal Credit offers no interest if you pay in full within 6 months on purchases of \$99 or more. Just select Pay Pal Credit when you check out online -- the full terms can be found on Jostens.com.

You can also take advantage of JOSTENS J-PAY, which is a monthly installment plan that spreads the cost of your purchase over three equal credit card payments. Just select J-Pay™ on your in-school order form or online at checkout. Your credit card will be charged in three monthly installments.
