Is that your final answer?
It all adds up
It all starts here
It all starts right here
It blue us away
It figures
It just goes to show you
It matters
It only gets better
It only happens once
It seems like just yesterday
It takes all kinds
It takes practice
It's a deal
It's a good time
It's a matter of give and take
It's a small world after all
It's about time
It's all good
It's all here in black and white
It's all in how you look at it
It's all in the game
It's all our fault
It's all over but the shouting
It's all over town
It's an attitude
It's easy as 1,2,3
It's been done before
It's confidential
It's how you play the game
It's in the numbers
It's just too much
It's like this
It's no surprise
It's not a feeling you get every day
It's not easy (school color)
It's not over until the last bell rings
It's not over yet
It's not as easy as 1,2,3
It's not what you think
It's personal
It's the little things that count
It's the thought that counts
It's up to you
It's way out there
It's what we've become
It's what you make it
It's what's on the inside that counts

What makes us tick?
What next?
What now?
What part of NO don't you understand?
What really matters...
What was. What is. What will be.
What year is it anyway?
What's all this noise about anyway?
What's done is done
What's going on?
What's gotten into you?
What's in a name?
What's it mean?
What's the big deal?
What's the difference?
What's the idea?
What's the point?
What's unique about us?
What's your point?
Whatever
What's like
What's next?
What's so different?
What's the buzz?
When I was in high school
When it's all said and done
When the century fades
Where are the keys?
Where are we going?
Where do we fit in?
Where do we go from here?
Where everybody knows your name
Where everyone knows your name
Where in the world?
Where learning is an adventure
Where we like to be
Where we were
Where's the (mascot) in you?
Where's the (mascot)?
While we were here
Whirlwind of memories
Who are we?
Who cares?
Who do you think we are?
Who knew
Who let the cat out of the bag?
Who me?
Who says
Who, what, where, when, why, how
Wildest time of your life
Will you remember?
Windows to the future
Winds of change

Wish you were here

Would we lie to you?
Would you care to join us?
